

Little Box of Big Thoughts

I hope that you...

Always know that...

I feel so proud when...

I laugh when...

I wish...

Do you remember when...

Little Box of Big Thoughts

I regret

It's your choice to...

When times get tough...

I love you because...

When we're apart, the
thing I miss most is...

You are special because...

Little Box of Big Thoughts

Sometimes I feel we are
alike because...

Something that really
matters in family life is...

A favourite memory I
will always have is...

Being apart from you will
not stop...

I hope that I can be more...

I will try to be less...
